**MACMILLAN
CANCER SUPPORT**

Macmillan Cancer Support, registered charity in England and Wales (261017), Scotland (SC039907) and the Isle of Man (604). Also operating in Northern Ireland.

Macmillan Cancer Support and The Farming Community Network (FCN) are working together to **better understand** health inequalities in rural communities, **challenge barriers** to cancer care and to **strengthen support** for people affected by cancer.

To do this, we are:

- Raising awareness of cancer and its impact
- Sharing Macmillan support offers
- Building referral bridges to and from Macmillan's services
- Engaging rural communities on ideas to improve support
- Gathering insight on what personalised care means
- Encouraging early intervention with cancer screening and diagnosis

The Macmillan Support Line offers confidential support to people living with cancer and their loved ones. If you are worried about money, work or treatment, or you just want to speak about whatever matters to you, we'll listen and support you.

Contact us for free on 0808 808 00 00. We're open, 7 days a week, 8am to 8pm.

Contact The Farming Community Network in confidence to speak to a sympathetic person who understands farming and rural life.
