

Rectal examinations...

...are not needed to test for prostate cancer. A quick blood test can do the dirty work. To get yourself checked, talk to your GP without delay and **nip it in the bud**.

To learn more about signs, symptoms and risks of prostate cancer, scan the QR code below or visit fcn.org.uk/cancersupport/

To talk in confidence about any worries with a sympathetic person who understands farming life, contact The Farming Community Network (FCN) on 03000 111 999 (7am-11pm, 365 days of the year).

The Farming Community Network, registered charity in England and Wales (1095919) and Scotland (SC053538). Also operating in Northern Ireland.

In partnership with

Macmillan Cancer Support, registered charity in England and Wales (261017), Scotland (SC039907) and the Isle of Man (604). Also operating in Northern Ireland.
